

Santiago Martín González

Full Stack Developer

Buenos Aires, Argentina · santigonzalez110500@gmail.com · linkedin.com/in/santiago-martin-gonzalez · github.com/SMartinGonzalez

PROFILE

Full stack developer in progress, currently completing a Systems Engineering degree at UADE and a Full Stack Development certification. Hands-on experience building secure REST APIs with Flask and JWT, dynamic interfaces with React.js, and relational databases with SQL and SQLAlchemy. Background as a technical interpreter, which sharpened clear communication and problem-solving under pressure — skills that carry directly into debugging and explaining technical work.

TECHNICAL SKILLS

Languages & Frameworks	Python, JavaScript, React.js, HTML5, CSS3, Bootstrap, Flask
Data & APIs	SQL, SQLAlchemy, RESTful APIs, JWT, Bcrypt
Tools & Practices	Git, GitHub, Jira, Trello, Kanban, Notion, Scrum

EXPERIENCE

Freelance PC Repair & Technical Support — Self-employed

Buenos Aires, Argentina · Aug 2024 – Present

- Diagnose and repair hardware issues and provide end-to-end technical support to non-technical clients.

Customer Service Interpreter — Interpretia

Remote (Lima, Peru) · Jan – Mar 2024

- Interpreted real-time technical support conversations between English and Spanish.
- Ensured precise communication between clients and representatives with no loss of meaning.

Quality Area Intern — Naturgy

Buenos Aires, Argentina · Jan – Mar 2020

- Reviewed technical data and helped verify quality indicators using internal company tools.

FEATURED PROJECT

GuardianUrbano — Full Stack Development (solo)

Personal project · May – Jun 2025

- Built a REST API with Flask, with JWT authentication and bcrypt password hashing.
- Implemented a password-recovery flow with custom React views wired to the backend.
- Structured the database access layer with SQLAlchemy for efficient, safe CRUD operations.
- Stack: Python, Flask, SQLAlchemy, JWT, bcrypt, React.js, Leaflet.

EDUCATION

B.Eng. in Information Systems Engineering — UADE

Buenos Aires, Argentina · 2022 – Present
